Malta House of Care is an independent mobile medical clinic that provides free, high-quality, compassionate primary health care to uninsured adults in Greater Hartford. On a big, white, trusted van, Malta provides physicals, radiology and testing, vaccinations, medication, and health coaching in four neighborhoods every week—three in Hartford, one in East Hartford—at absolutely no cost to patients.

With no local, state, or federal funding, Malta relies on the generosity of donors and dozens of medical volunteers who provide \$2 million of in-kind primary care each year. However, it still costs \$87,500 every month to operate the Clinic.

To help raise these needed funds, Malta House of Care hosts *Celebrating Wonder Women*, an awards ceremony and fundraiser to honor Connecticut women who are improving their communities on stage or behind the scenes. Since 2011, Malta has named 63 “Wonder Women” with fascinating and inspirational stories of service and success.

We invite you to support *Celebrating Wonder Women '19*, which will be held at the Hartford Marriott Downtown on Thursday, April 25, 2019. Your donation will be gratefully acknowledged in our marketing and at the event.
